The Corporate Group (TCG) is dedicated to increasing its portfolio of its subsidiaries and creating new entities focusing and delivering services to its clients and partners.

Dubai's new standard tenancy contract: Points to consider

11 April 2017

During February 2017, the Dubai Land Department announced the creation and launch of the "new standard tenancy contract," which is required to be signed for the lease of any property in Dubai (excluding property in the DIFC), which is leased for residential, commercial or professional use.

The use of the new standard contract became mandatory from March 1, 2017.

Dubai's biggest mall set to be completed by 2020

12 April 2017

Dubai developer Nakheel has awarded a construction contract to build its Dhs6.1bn Deira Mall – set to be Dubai's biggest shopping destination in terms of retail space, it announced on Wednesday.

United Engineering Construction won the Dhs4.2bn contract to build the mall, a statement said. The developer received three bids for the project, it said in February, with the lowest bid starting at Dhs4.2bn.
